VOLUME 5 NUMBER 1

## **HELP WANTED:**

**Those who have an idea or topic suitable for a church newsletter to EXAMINE them in light of Scripture**

( pun very much intended)

**Someone to write book, music, and/or movie reviews**

If you have read a book, watched a movie, or listened to a piece of music that you think the church would benefit from please share.

**Someone to print out the Examiner and mail it to those who cannot make it to church and put copies on the table at church**

This would greatly help me out as I sometimes forget that many people do not have email or access to the internet. The 6<sup>th</sup> quickly turns into the 15<sup>th</sup> then it's already time to think about next month. If someone can copy them within a day or two of the email going out more people will get a chance to read it.

**Those who submit announcements for the bulletin to carbon copy [kyrajoy@warwick.net](mailto:kyrajoy@warwick.net)**

This will just make the Calvary Examiner more informational and up-to-date.

**Those who have any artist talent whatsoever whose art can fit into this medium please help make the Examiner more visually appealing**

Okay, I am getting sick of Clip Art. I have really come to hate it!

*Thank you,  
Kyra Joy*
